CLOTHING

ELEVATE

LET'S ELEVATE YOUR BRAND

In the world of branding, consistency is everything. Consistent look, consistent feel, consistent values. And of course, consistent high quality. Those who take branding as seriously as we do are only satisfied when their brand experience perfectly reflects their brand identity. Down to the very last fiber.

When it comes to printed clothing, this is where the bar should be set. Brands that are worn with pride are brands that last. Elevated in people's preference. This is what Elevate is all about. It's in our name, it's in our nature; it's in everything we do. From the design, to development, down to the actual delivery. We're right on top of it all. That's how we guarantee quality and consistency for every single piece of branded apparel we deliver. Suited for everyone, every single time.

ROLY

The brand Roly was created in 1997 by the Spanish textile company Gorfactory. Roly specializes in clothing and casual textiles for products such as jackets, t-shirts, and various other apparel, with collections ranging from casual summer/winter, accessories to workwear, school, and sports. Every year, new collections are being launched. At Roly, there is over 25 years of expertise in textile manufacturing, and the best fabrics and raw materials are carefully selected while also conducting quality control during production. The brand is one of the most esteemed names in the European market within the promotional textile sector.

Ø 6.4 x 8.9 x 12.6 x 8.9 cm

ALPS 200 ML INSULATED MUG WITH CARABINER

100563

Whether while camping, glamping or on a trekking trip, the Alps 200 ml insulated mug is a great companion during any outdoor activity. The ear handle of the mug is a carabiner and thus easy to attach to almost any backpack. The stainless steel material makes the Alps mug easy to clean and highly resistant to corrosion. Thanks to the double-walled design, hot drinks stay hot a little longer than they would in a regular mug. There are several options for placing a logo, making this mug look even more striking than it already does.

Material:
Stainless Steel

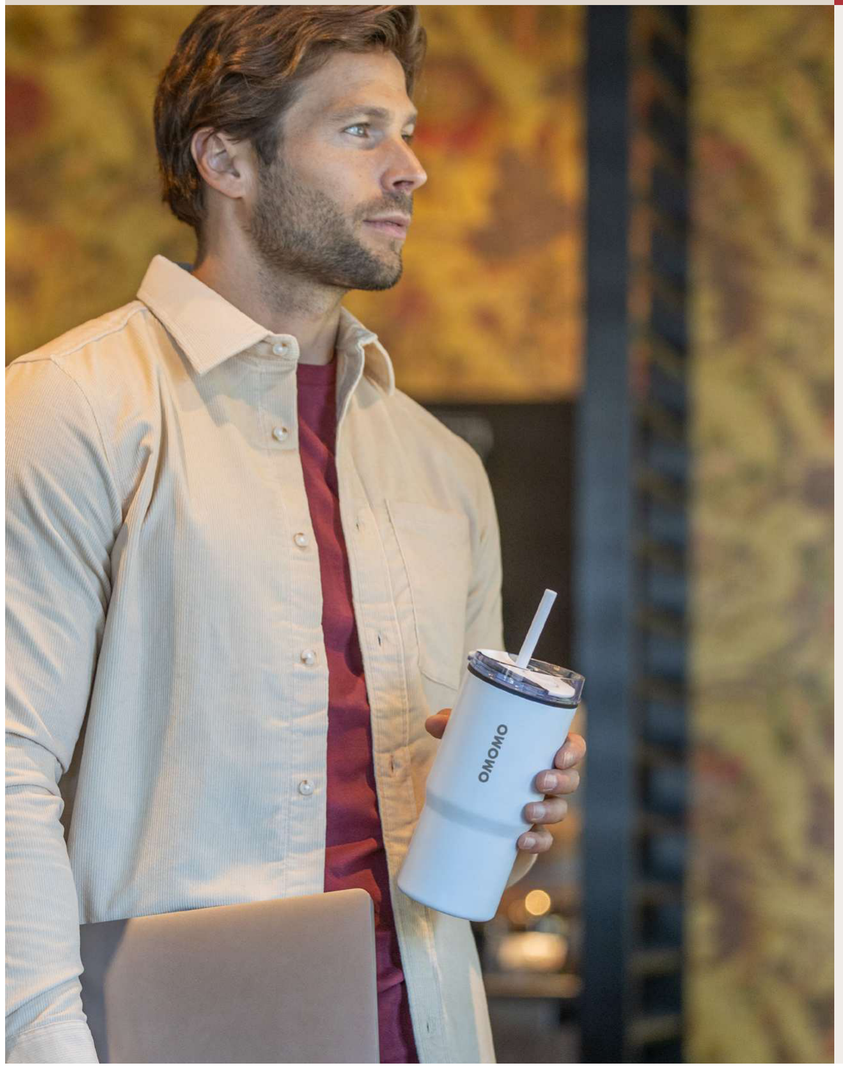

Product size:
10.5 x 8.5 cm

0.935 kg CO_2e

STANLEY®

The Stanley brand has a rich 100+ year history. Born from inventor William Stanley Jr. who forever changed the way hot drinks were consumed, in 1913 he fused vacuum insulation and the strength of steel in one portable bottle, inventing the all-steel vacuum bottle we know and love today. In the century since, his vacuum bottle evolved from concept to icon and has become an essential part of workdays, road trips and outdoor adventures.

The Stanley brand has been part of countless adventures and even more shared memories. It powered daily coffee breaks and just as many meals in our beloved food and beverage gear. With each passing year, continuing to push ourselves to bring timeless, yet modern, solutions to today's outdoor adventure. For us it's about ramping up your time outdoors with gear you can count on from dusk to dawn, from coffee to kick start the day to spirits to cap off the evening.

Stanley products are created and manufactured to last a lifetime. Every Stanley product is backed by the Built for Life lifetime warranty.

ocean bottle

Ocean Bottle is a B Corp certified reusable bottle brand launched in 2019. Every Ocean Bottle sold, funds the collection of 1,000 ocean-bound plastic bottles in weight before they reach the water.

The award-winning Ocean Bottle helps support coastal communities, where collectors can exchange plastic for money and access social resources such as healthcare, education, mental health support and financial security.

Ocean Bottle is made from recycled ocean-bound plastic and stainless steel, and has been carefully designed to take everywhere with you. Its double lid means you can fill your bottle with anything from ice to coffee and smoothies, sip comfortably on the go, and then clean it easily at the end of the day.

THE **VARYON** SERIES

Designed for an active lifestyle, the Varyon collection combines sporty style with practical performance. Thoughtfully designed with functional compartments, durable GRS-certified recycled materials, and comfortable carrying options, these bags help keep sports gear organised and protected. Whether heading to the gym, training, or an outdoor adventure, Varyon bags are built to support every move with reliable functionality and modern design.

VARYON 15” GRS RECYCLED PADEL BACKPACK 18L

130151

The Varyon padel backpack is designed for professionals who combine work, sport and city life. Made from water-repellent GRS-certified recycled 420D ripstop polyester, it features a padded racket compartment, a 15” laptop sleeve, two internal sleeve pockets and dual elastic mesh side pockets for organised storage and quick access to essentials. For everyday comfort, the backpack includes padded adjustable shoulder straps and a breathable mesh back panel, making it ideal for commuting, cycling or walking. Volume capacity: 18 litres.

Material:
GRS certified recycled polyester

Product size:
32 x 13 x 46 cm

SMART 15” GRS RECYCLED LAPTOP BACKPACK 18L

130153

The SMART anti-theft backpack made from GRS-certified 900D water-resistant materials is designed for secure, organised and comfortable commuting or travel. It features three securely zipped outer pockets with waterproof zips, inner sleeve pockets, a dedicated tablet sleeve, and a well-padded 15” laptop compartment with an elastic securing strap for organised storage. What makes this backpack stand out is the smart expandable construction with side hook & loop flaps and snap buttons that allow it to open fully like a compact suitcase, making packing and organisation easier while travelling. For everyday comfort, it includes ergonomic shoulder straps, a cross-chest strap, a hidden pocket beneath the trolley strap, and a breathable back panel. Volume capacity: 18 litres.

Material:
GRS certified recycled polyester

Product size:
29 x 16 x 44 cm

SMART RFID ACCESSORY POUCH

130190

The SMART accessory pouch is designed for secure and organised storage on the go. Crafted from GRS-certified 900D water-resistant materials, it features a sleek, modern design that fits easily into a larger bag or can be carried on its own. Built with RFID-blocking technology, it helps protect cards and personal information from unauthorised scanning, making it ideal for travel and everyday use. The pouch includes organised compartments for cards, cash, cables and other small essentials, while the slim profile and adjustable drawstring strap provide convenient carrying for commuting, travel or daily errands.

Material:
GRS certified recycled polyester

Product size:
12.5 x 2.5 x 18 cm

THE **PERFECT** TRAVEL **DUO**

ROVER & TRIP SERIES

ROVER 16” GRS RECYCLED LAPTOP TROLLEY 30L

130152

The Rover 16” laptop trolley is a versatile travel companion designed for business professionals who need secure storage, laptop protection and smooth mobility in one solution. Made from impact-resistant GRS-certified recycled plastic, it features a padded compartment for laptops up to 16”, a spacious 30-litre main compartment, and organised internal packing space for clothing, documents and travel essentials. It also includes a TSA combination lock, 360° double-wheel spinners and a retractable telescopic handle for effortless travel through airports and cities. Compact, secure and practical, it is ideal for business travel and short trips.

Material:
GRS certified recycled ABS

Product size:
44.5 x 20 x 40 cm

FLORIDA 270 G/M² GRS RECYCLED SAILOR DUFFEL BAG 15L

120806

The Florida sailor duffel bag is made from 100% GRS-certified recycled cotton and is ideal for carrying everyday essentials or sports gear. Crafted from durable 270 g/m² cotton, it offers long-lasting quality, while the sturdy rope handles make it comfortable to carry heavier items. The available print methods are also GRS-certified, ensuring a fully certified and transparent supply chain. Resistance up to 10 kg weight. Volume capacity: 15 litres. Made in India.

Material:
GRS certified recycled cotton, 270 g/m²

Product size:
Ø 30 x 48 cm

OREGON BLEND 140 G/M² GRS RECYCLED DRAWSTRING BAG 5L

120761

The Oregon Blend drawstring bag made from 60% GRS certified recycled cotton and 40% GRS RPET is easy to hand out as a gift to promote your brand or marketing campaign. This lightweight bag is budget-friendly, easy to carry on the back or on the shoulder and offers enough space for adding a logo or other messages. The drawstring makes it easy to open and close, and the 140 g/m² cotton material is strong and durable. Large main compartment with cotton drawstring closure. The print methods available for this tote bag are also GRS certified, making sure that the entire supply chain is transparent and certified. Made in India. Resistance up to 5 kg weight. Volume capacity: 5 litres.

Material:
60% GRS certified recycled cotton and 40% GRS certified recycled polyester, 140 g/m²

THULE® SWEDEN

In 1942, Thule was founded, when Erik Thulin, a true lover of the outdoors, put the Thule name on a so called pike fishing trap (a fishing gear) that he designed and began to sell to the fisherman of Scandinavia. Under the motto Bring your life, Thule globally offers a wide range of premium products for active people that allow them to bring what they care most for – safely, easily and in style.

Whether it's exploring the spectacular nature of the great outdoors or traveling the world with family and friends, we all have a passion for enjoying an active life. Thule shares our desire to spend more time enjoying our passions – which means less time worrying about how to bring all the stuff we need.

From camera bags to laptop sleeves, luggage and duffels to daypacks and messengers, the Thule bag range consists of different smart bags that work well on bikes, cars and other transport as when they are carried around. Thule bags, luggage and backpacks adjust to the fast pace of life in the city or the challenge of living in the wild.

KESWICK RECYCLED GIFT SET – NOVELLA BRONTË NOTEBOOK AND AMERICANO TUMBLER

210885

The Keswick gift set is a practical and thoughtfully curated gift set combining a Novella Brontë A5 recycled hard cover notebook and an Americano® Recycled 350 ml insulated tumbler – ideal for everyday use at work, at home, or on the go. Both items are made in the UK from recycled material and, along with the box, can be digitally printed for maximum brand impact. The Novella Brontë features a recycled cover and includes 100 sheets of recycled 80 g/m² paper. The Americano® tumbler is made from recycled PP plastic, fully recyclable and BPA-free, with a durable design that is dishwasher safe.

Material:
Recycled paper, Recycled PP Plastic, FSC certified cardboard

PENS

RAMIN RECYCLED PLASTIC MINI BALLPOINT PEN (BLUE INK)

107338

The Ramin mini ballpoint pen features a compact, pocket-friendly design, making it ideal for everyday use wherever you are. Made from RCS-certified recycled plastic, it helps reduce the need for virgin materials. The rABS (recycled ABS plastic) logo is printed on the back of the upper barrel. Ink colour: Blue. Writing length: 350 meters. Nib size: 1.0 mm.

Material:
Recycled ABS Plastic

Product size:
Ø 1.05 x 10.5 cm

GLEN RCS RECYCLED BI-INJECTED BALLPOINT PEN (BLUE INK)

106435

The Glen bi-injected ballpoint pen features a single-piece barrel crafted in two contrasting finishes, transparent and solid colour, for a distinctive look. Made from RCS certified recycled ABS plastic, it includes a soft-touch surface for added writing comfort. The pen is equipped with a smooth push mechanism and a semi-gel ink refill, offering a fluid writing experience. Pen ink colour: blue. Writing length: 500 m. Nib size: 0.7 mm

Material:
Recycled ABS Plastic

Product size:
Ø 1.15 x 14.4 cm

0.023 kg CO_2e

SMART RECYCLED ALUMINIUM TWIST BALLPOINT PEN (BLACK INK)

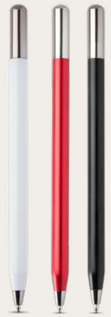

107282

The SMART twist ballpoint pen features a sleek, minimalist design with a barrel made from certified recycled aluminium. Finished with an anodised brushed metal effect for a refined matte look, it is complemented by smoked silver chrome details on the tip and top cap for a subtle premium touch. Ink colour: Black. Writing length: 1000 meters. Nib size: 1.0 mm.

Material:
Recycled Aluminium

Product size:
Ø 0.8 x 14.4 cm

SOFFIT RECYCLED ALUMINIUM CLICK ANODIZED BALLPOINT PEN (BLUE INK)

107332

The Soffit click ballpoint pen combines a modern look with more sustainable materials. It features a recycled aluminium upper barrel with a coloured matte anodised finish, paired with a solid-colour recyled plastic lower barrel with a soft rubber coating for a comfortable grip. The design is completed with a matching push button and a shiny chrome metal clip for a refined finish. A recycled aluminium logo is laser engraved on the back of the upper barrel. Ink colour: Blue. Writing length: 1000 meters. Nib size: 1.0 mm.

Material:
Recycled Aluminium

Product size:
Ø 1.08 x 14.6 cm

SPECTRUM RECYCLED ALUMINIUM BALLPOINT PEN (BLUE INK)

107404

The Spectrum ballpoint pen is made from RCS-certified recycled aluminium and features a smooth push mechanism for effortless writing. Designed with coordinated coloured details, including a matching pusher and a distinctive internal coloured spiral visible through the tip, it adds a playful and eye-catching touch. Ink colour: Blue. Writing length: 1000 meters. Nib size: 1.0 mm.

Material:
Recycled Aluminium

Product size:
Ø 1.02 x 13.9 cm

VERTON RECYCLED ALUMINIUM TWIST BALLPOINT PEN WITH SLEEVE (BLUE INK)

107331

The Verton ballpoint pen features a barrel made from certified recycled aluminium with a sprayed finish and smooth twist-action mechanism. Black details on the upper button, mid ring, and tip create a modern contrast, while an engraved recycled aluminium logo adds a subtle finishing touch. Presented in a practical kraft paper sleeve. Ink colour: Blue. Writing length: 1000 meters. Nib size: 1.0 mm.

Material:
Recycled Aluminium

Product size:
Ø 1 x 13.8 cm

TINE 4-IN-1 RCS RECYCLED STAINLESS STEEL BALLPOINT PEN

106445

The Tine 4-in-1 gravity pen is a compact multifunctional writing tool made from RCS-certified recycled stainless steel. It combines black, blue, and red ballpoint inks with a 0.5 mm mechanical pencil in one sleek design. The gravity-assisted mechanism makes switching easy: tilt the barrel at a 30° angle with the desired mode label facing you, then press the pusher to select. A built-in eraser is hidden in the push-button cap for added convenience. With its durable metal body and ergonomic grip, the Tine is ideal for everyday multitasking and is delivered with an instruction manual.

Material:
Recycled stainless steel

Product size:
Ø 1 x 14.8 cm

0.107 kg CO_2e

MINI RECYCLED PLASTIC HIGHLIGHTER SET

106470

Mini highlighter set featuring four colours: orange, green, yellow, and light blue. Made from recycled PP plastic and supplied in a printable kraft paper box.

Material:
Recycled PP Plastic

Product size:
Ø 1.6 x 7 cm

SQUIGGLE B6 HARD COVER NOTEBOOK AND MARKERS SET

107330

The Squiggle B6 notebook and marker set combines creativity and organisation in one compact design. It includes a spiral-bound notebook with 60 sheets of 100 g/m² responsibly sourced paper, featuring both lined and doodle pages, along with six watercolour markers in black, red, yellow, green, blue, and orange. The kraft cover features a resealable transparent PVC pocket for convenient marker storage. With a one-year shelf life, this set is ideal for brainstorming, classes, or creative downtime.

Material:
FSC certified paper

Product size:
17.4 x 12.5 cm

QUELL COLOURING BOOK AND WATER BRUSH PEN SET

106441

Colouring book and water brush pen set designed for creativity on the go. It includes 20 sheets of cartoon-patterned paper (10.5 × 7.5 cm), a built-in paint palette, and a refillable water brush pen. Bound in a notebook-style format, it is ideal for children and guided painting sessions, making it a great choice for travel, school, or creative fun at home.

Material:
FSC certified paper

Product size:
10.5 x 7.5 cm

0.097 kg CO_2e

CHROMA DRAWING NOTEPAD AND PENCILS SET

107997

The Chroma drawing notepad has 40 sheets of 100 g/m2 responsibly sourced paper and features a practical flap closure. Inside there are 40 animal-themed drawings, and the set includes 12 coloured pencils crafted from responsibly sourced wood in purple, dark blue, light blue, yellow, red, pink, orange, black, burgundy, brown, green, and lime. Ideal for encouraging creativity and providing hours of colouring fun. Notepad size: 9.5 x10.6 cm.

Material:
FSC certified paper

TECHNOLOGY

AVIS 5000 MAH RCS RECYCLED ALUMINIUM MAGNETIC POWER BANK

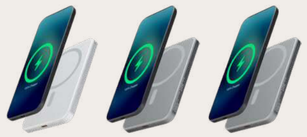

124443

Keep your devices powered wherever you go with the Avis magnetic 5000 mAh power bank, made from RCS-certified recycled aluminium. The magnetic design attaches securely to compatible devices for convenient, cable-free charging, while the compact size and 5000 mAh capacity make it ideal for everyday top-ups. Combining modern design with reliable performance, it is a practical solution for on-the-go use.

Material:
Recycled Aluminium

Product size:
10.4 x 7 x 1 cm

SMART 5000 MAH RECYCLED PLASTIC MAGNETIC POWER BANK WITH LANYARD

124529

Stay powered on the go with the SMART 5000 mAh power bank with lanyard. Designed for everyday convenience, this compact power bank features a magnetic attachment for easy, secure charging with compatible devices. Made from durable recycled plastic for a more responsible material choice, it offers a modern look with reliable performance, while the integrated lanyard makes it easy to carry or attach to a bag, keeping power always within reach.

Material:
Recycled ABS Plastic

Product size:
10.5 x 6.9 x 0.9 cm

SMART 65W 100 CM RCS RECYCLED MAGNETIC 5-IN-1 CHARGING CABLE

124495

Simplify your charging setup with the magnetic 5-in-1 cable, designed for versatile everyday use. This all-in-one solution supports fast charging up to 65 W and features multiple connectors to suit a wide range of devices. Made from RCS-certified recycled materials, it offers a more responsible material choice with a durable, modern finish. The magnetic design keeps the cable neat and tangle-free when not in use, while the 100 cm length provides practical flexibility at home, at work or on the go.

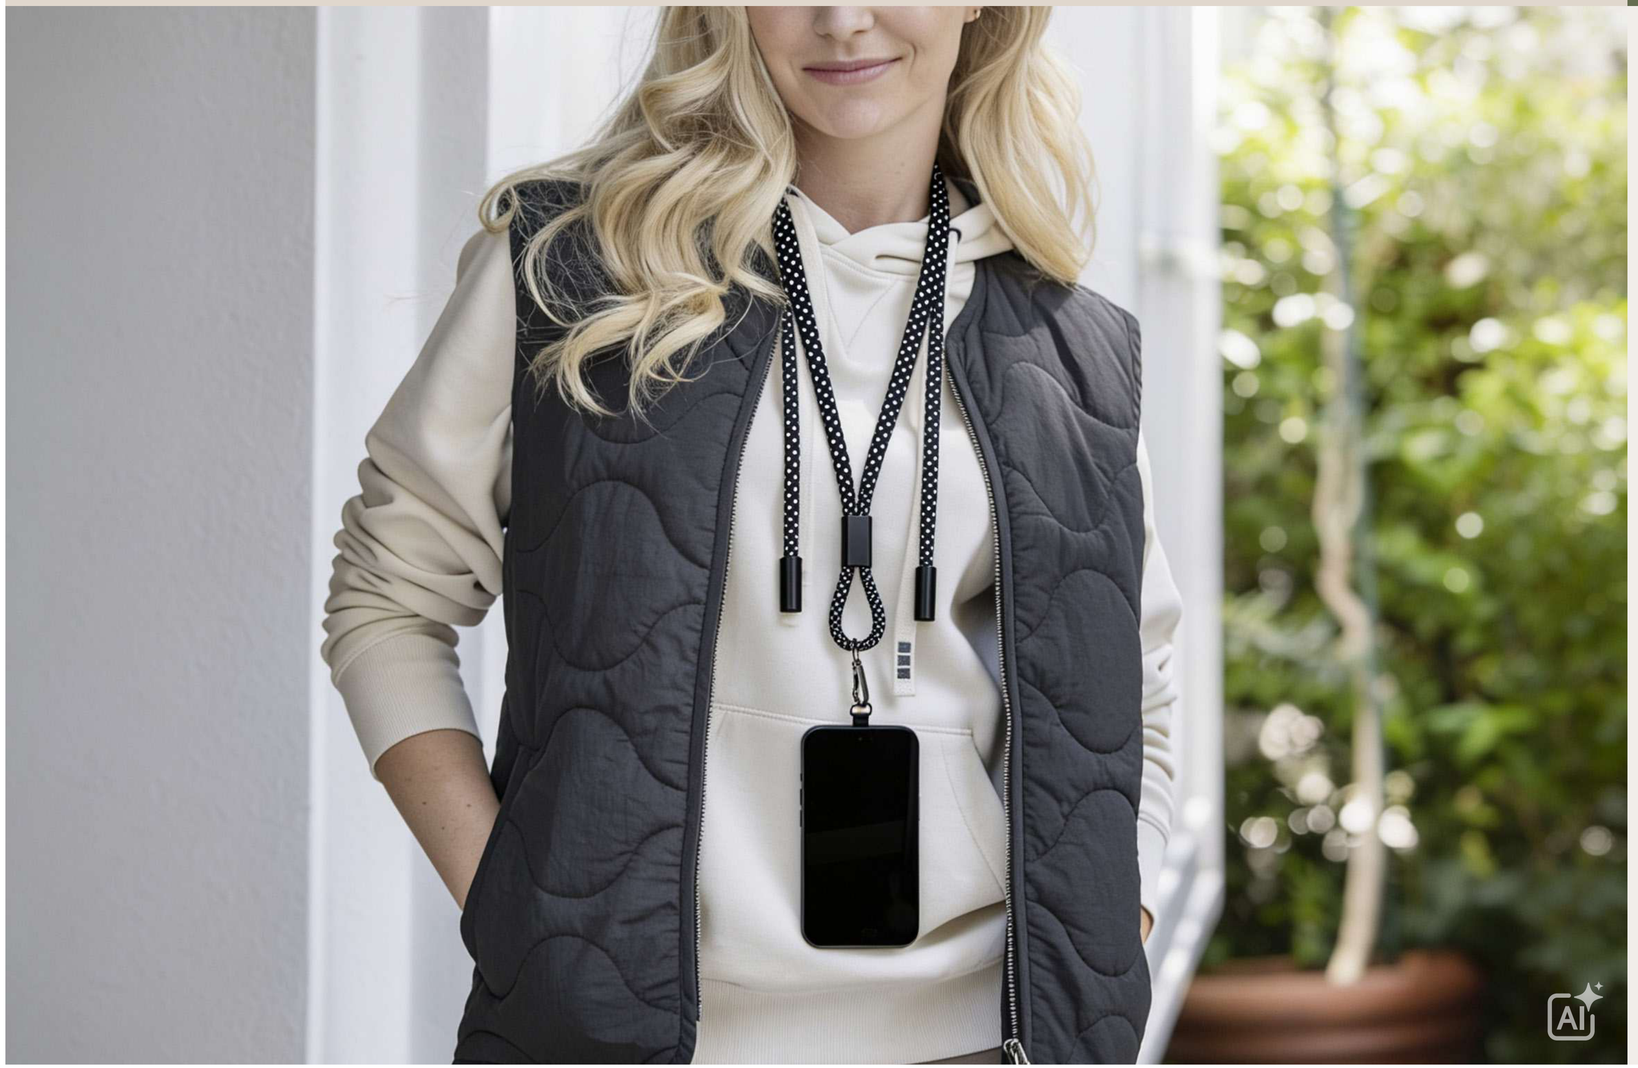

Material:
Recycled Aluminium, Recycled PET Polyester

Product size:
100 x 1.8 cm

SMART 65W RPET CHARGING CABLE WITH LANYARD

124530

Charge your devices with ease using the SMART lanyard charging cable. Designed for fast, reliable charging up to 65 W, it is suitable for a wide range of everyday devices. Made from durable RPET for a more responsible material choice, it combines practicality with a modern look, while the integrated lanyard design makes it easy to carry and keeps your cable accessible at home, at work or on the go.

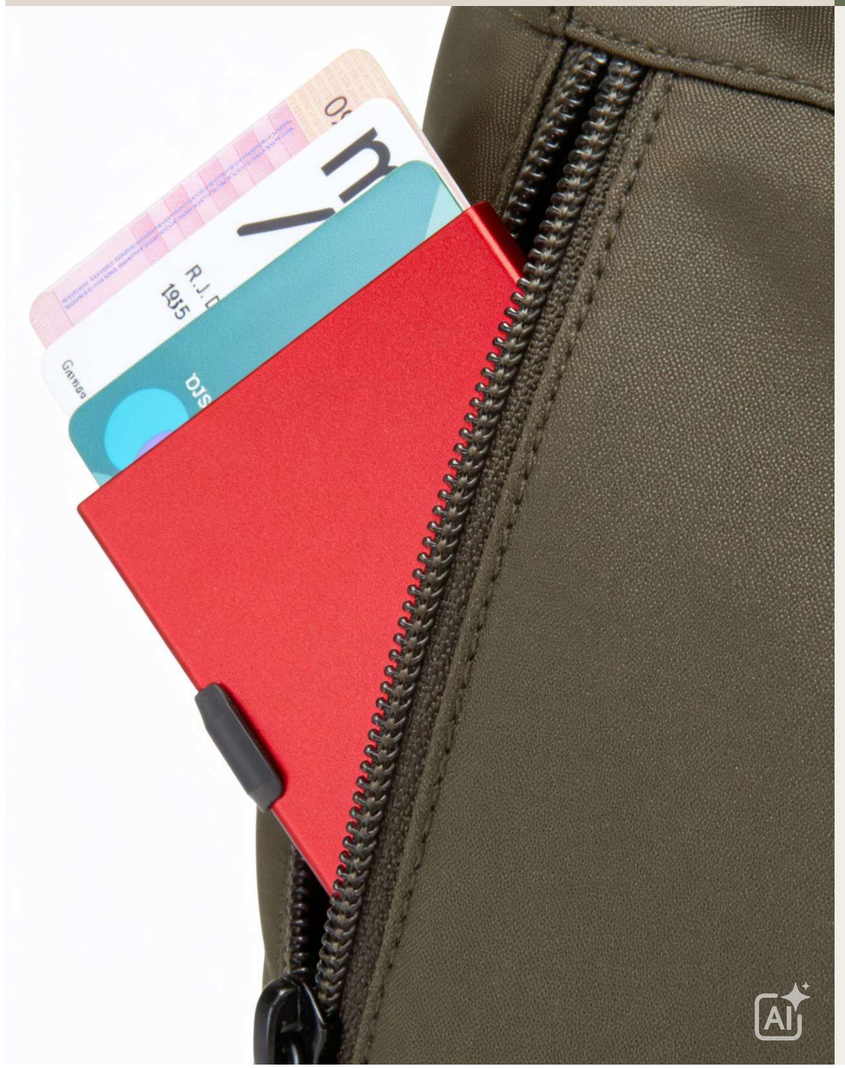

Material:
RPET felt, Recycled PET pongee polyester

Product size:
160 x 2 cm

SMART RCS MAGNETIC RFID CARD HOLDER

124528

Keep your essentials secure with the SMART RFID magnetic card holder that can hold up to 3 cards. Crafted from RCS-certified recycled materials, it offers a more responsible choice with a sleek, durable finish. Built-in RFID protection helps guard against unauthorised scanning, while the strong magnetic closure keeps cards securely in place and easily accessible. A smart and practical solution, it combines everyday functionality with clean, contemporary style.

Material:
Aluminium

Product size:
9.4 x 6.2 x 0.62 cm

NEBULA RECYCLED PLASTIC FIND MY TRACKING TAG

124531

Keep your Find My tracking tag securely attached to your everyday essentials with the SMART Find My Tag Holder. Designed specifically to hold and protect a compatible Find My tracking tag (not included), this compact accessory makes it easy to attach your tracker to keys, bags, luggage, or other personal items. Made from durable recycled plasti for a more responsible material choice, it combines practicality with a clean, modern design.

Material:
Silicone Plastic

UMBRELLAS

SMART 21” FOLDABLE RPET UMBRELLA

130162

The SMART 21” RPET folding umbrella features automatic open and close for quick, one-click protection. Compact enough to fit in your handbag, it includes an innovative handle that easily attaches to a backpack for added convenience. Designed for everyday use on the go, it has a durable polyester canopy, a sturdy metal frame with flexible fibreglass ribs, and a comfortable plastic handle for a secure grip.

Material:
Recycled PET pongee polyester

Product size:
Ø 99 x 102 cm

JILL 19” FOLDABLE COMPACT 5-SECTION RPET UMBRELLA

130161

The Jill 19” compact 5-section RPET mini umbrella is designed for ultimate portability, folding down to just 19 cm to fit easily into even a purse. Built with a sturdy metal frame and flexible fibreglass ribs for reliable performance, it features a rubber-coated handle for a secure, comfortable grip. Supplied with a matching EVA case, it can be stored safely in your bag, even when wet, without leaks.

Material:
Recycled PET pongee polyester

Product size:
Ø 90 x 37.5 cm

AGNES 21” FOLDABLE AUTO OPEN RPET UMBRELLA

130157

The Agnes 21” foldable umbrella combines convenience, durability and sustainability. It features a canopy made from recycled materials and an auto-open function for quick, one-touch use. Built with a strong metal frame, flexible fibreglass ribs and a rubber-coated handle for a secure grip, it is a reliable choice for everyday protection on the go.

Material:
Recycled PET pongee polyester

Product size:
Ø 93 x 54.6 cm

NORMAN 30” WINDPROOF RPET UMBRELLA

130163

This windproof 30” umbrella is made from recycled RPET polyester pongee and provides generous coverage for multiple people. The robust fibreglass shaft and frame offer excellent flexibility and strong resistance to high winds, while the plastic handle with an auto-open button ensures quick and easy operation. Finished with contrasting canopy panels, it provides an ideal surface for bold, eye-catching branding, making it suitable for events, promotions or everyday use.

Material:
Recycled PET pongee polyester

CitizenGreen®

Since 2007, CitizenGreen® has been developing promotional items designed with social and environmental responsibility in mind. Its production is mainly based on European manufacturing and carefully selected materials to limit their environmental impact. This approach is gradually being integrated into all of its stocked ranges, accompanied by quality control and traceability processes tailored to the expectations of advertisers and end users.

The company bases its strategic decisions on practices inspired by the principles of the circular economy, favoring short supply chains for procurement and distribution. It promotes more responsible consumption, guided by its philosophy of “order less, but better.” Today, a large proportion of the materials used come from recycling channels. In addition, CitizenGreen® limits packaging to what is strictly necessary, with a view to reducing waste.

The products are designed to last, encourage repeated use, and promote the messages conveyed by the brands that choose them. The selection of materials, whether recycled, recyclable, or natural, reflects a desire to improve overall impact without compromising functionality.

A pioneer in its sector, CitizenGreen® continues to integrate social and environmental requirements into its relationships with partner manufacturing workshops, while cultivating the aesthetic identity that has made it famous in the world of media objects. Its ambition: to offer communication media that inspire loyalty, strengthen brand attachment, and contribute to responsible differentiation.

MEPAL

Mepal has been producing smart products to store and take along food and drinks since 1950. We have a long tradition of developing and producing ourselves. The high quality products are full of smart features that give a pleasant user experience every day. Products that replace single-use plastic products and in which leftovers are perfectly preserved. We do all this in an environment where everyone can participate, with an open view on the world and a listening ear for the wishes of our customers.

Qualitative and innovative. Stylish and durable.

GOOD FOR THE PLANET,
GOOD FOR THE MAKERS

Originalhome is not just another interior design & gifts brand. We are a purpose-driven company designed to create a greener and people friendlier planet. Our products are made from rest and waste materials, using low-impact traditional crafts. We partner with fair trade artisan communities to create more job opportunities in the challenging, rural areas of Indonesia, Bangladesh, India and Tanzania.

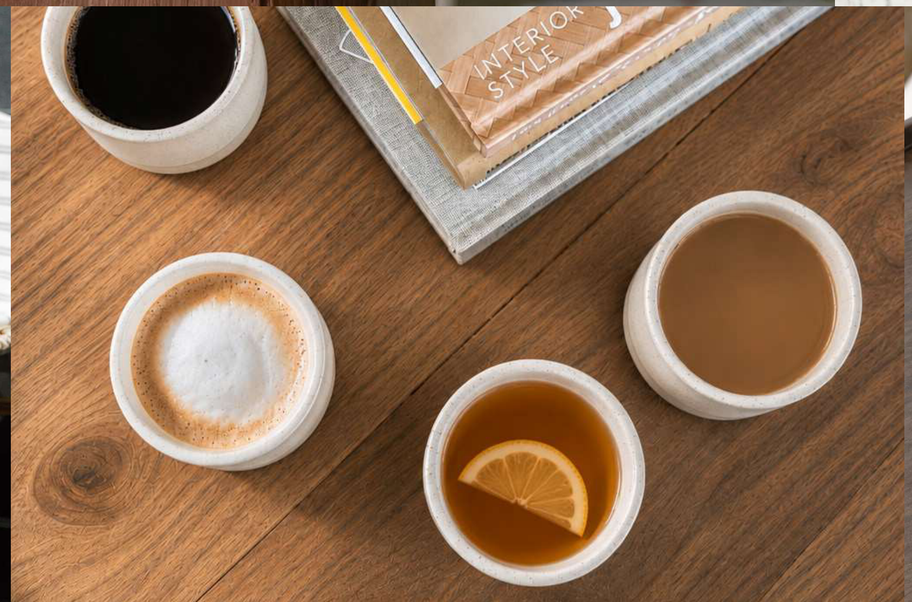

REDUCING WASTE, PLANTING TREES

We aim to prove that rest and waste materials can be turned into great products. This reduces the need for new materials and helps protect biodiversity by minimizing waste. 20% of our profits is donated back to environmental & social causes. Currently, we are partnering with Trees for the Future to plant trees in Africa. This helps to restore the land and provides farmers with healthy soil, food security and a better life.

GOOD FOR YOU

Transform your home with durable and toxic-free home décor that supports a healthier planet and empowers its makers.
